

Honey HOWSARE

Take a ride on Honey's Bus to Happiness

Attitude above all

Internationally known and loved for the unique way she captures her audiences' attention, Honey's style and warmth comes straight from the **HEART**. Let Honey improve your organization's attitude and performance with her TRIPLE "A" roadside assistance for life.

Honey speaks with power and compassion to all walks of life. From her experiences as a stay at home mom, to school bus driver, Realtor and more recently as Director of an International goals setting program which has helped thousands stop procrastinating and making the most of their lives, Honey's tenacity has taken her beyond her wildest dreams.

Honey can help "flip the switch" within your organization to achieve positive energy flow from the head to the heart; the life force for any organization.

“ Honey's energy is matched only by her heart. Her inspirational and unique way of teaching will encourage you to believe in yourself and create ultimate success in your life no matter what you do. ”

Honey's presentations

Attitude Above All

"Your Road Side Assistance For Life"

Imagine for a moment how great it would be if you could wake up one morning and have your life exactly as you would want it to be: Plenty of money, good friends, a loving family and plenty of time to do exactly what you want to do in life. Wouldn't that be wonderful? Honey can show you how you have the power to start making that life a reality right now. Skeptical? Bemused? Hopeful?

Believe in Ultimate Success

"Take a Ride on HONEY's Bus to Happiness"

You are trying to grow your business, but customer service is lacking from your employees. Change attitudes to change profits. Let Honey help you do just that. She can help you encourage a positive atmosphere through ———Everything in life can be learned from driving a school bus.

Talk to ME

"The Art of Communication"

Your body language speaks VOLUMES! Do you and your employees know what is being said without words? Let Honey show you how to improve the communication in your business to improve production, customer satisfaction, and the bottom line —profits.

Is Your Front Line Affecting Your Bottom Line?

"Customer Service is KEY"

What does your business look like from the eyes of the customer? Who is on the FRONT LINE representing your business? Do you know them? Do you VALUE them? Do they know they are valued? Honey has a powerful presentation to make sure your Front Line reflects your profits.

"Honey Howsare is the most positive and loving soul I have ever encountered! Her message of hope, love, and patience, couldn't have come at a better time. Honey is so passionate about spreading her message and the world is a better place because of her for certain!"
